Join skin and beauty expert Cheryl Forberg, RD, author of the book Positively Ageless (Rodale Inc., April 2008), for this 2-minute video. In Foods for Youth: Secrets to Sexy Skin, Cheryl will show you why the best beauty product is a healthy diet. Maintain the beauty of your skin from the inside out with the right foods. See how omega-3 fatty acids in foods such as salmon, sardines, and flaxseed promote soft skin and minimize the appearance of fine lines. Another food staple in your beauty pantry should be lean dairy products, which supply the protein your body needs to promote the growth of collagen in your skin. Make sure to eat the right fats and vitamin E from nuts and olive oil to help you get softer skin. Last, don't forget to eat vegetables and fruits as part of your beauty routine—especially berries, which are packed with vitamin C and help build collagen in your skin. With the right diet, you can be gorgeous from the inside out. Get radiant skin with these skin beauty tips; for more, watch the entire Foods for Youth video series. Elnav Keet is a freelance writer. Michael is also of Africa descent, making this song a must-listen if you love good music. Wizkid was phenomenal blending well with Queen Bey. only one of two Africans in the album that blended with Bey. The other is Shatta Waale... Brown skin girl lyrics by Beyonce ft Wizkid uphold the black skin of Africans, especially in a time, where Africans are becoming exceptionally impacting in the world of music. I still remember Burna boys mother statement during the just concluded BET award on which she said... " Thank you BET, thank you, Africa, which is the constituent we are been recognized" If Burna Boy was here I believe his word would be remembering you were blacks before you became anything else" Her words were a reaffirmation that Blacks worldwide should remember their heritage, and a such stand up for what they believe in Her words brought about a huge standing ovation but you can follow the above link to read all about that. Lyrics Credit: Genius Conclusion Music in Africa is evolving and Afro Beat is taking center stage gradually which is super cool. Too bad the King of Afro Beat Fela Kuti is dead but I trust he does be smiling seeing the turn. Afro Beat is taking in the world, thanks to Wizkid, Davido, Tiwa Savage, and others who are at the forefront. Over to you guys! What is the one word you can use to describe this song? Leave a comment below... Thanks for reading and cheers to all the brown skin girls in the world... Need you to know I love you all and also shout out to the white skin girls. You have my love too.
